

## LONG TERM PROJECT (LTP) EXPERIMENT

### INTERIM REPORT

<b>Experiment title:</b> Speciation of Mercury, Gold, and Sulfur in Environmental Materials at Natural Concentration and High Spectral Resolution	<b>Experiment number:</b> EV-195
<b>Main-Proposer :</b> Alain MANCEAU	
<b>Beamline and dates of experiment :</b> ID26	
27/01/2017	31/01/2017
14/09/2017	19/09/2017
23/01/2018	30/01/2018

A confidential report was submitted for this experiment; it was sent to the User Office **23 January 2018**.
